

Dear Parents,

This letter is in response to your recent emails regarding the decision of the Children's Corner Board to close the program as of the end of this school year. We have considered the points you have communicated and are responding as promised.

Children's Corner is a private non-profit organization and as per SECTION 501(C)(3) OF THE INTERNAL REVENUE CODE. Its Board of Directors is comprised of volunteers and has the sole legal right to determine when the program will close. The decision to close its doors at the end of June was made by unanimous vote of the board. The dissolution will follow all legal mandates and will be guided every step of the way by legal counsel.

The decision to close was not an easy one and one that has been under discussion for some time. We are happy to hear that the community values the services the program has provided. At the same time, future operational costs and changing needs of our community are at the foundation of our decision.

While we know that this decision comes as a disappointment to many of you, the board is in complete agreement and will stand by its original decision. We have announced the decision at this time to provide you with sufficient time to make arrangements for your child for the 2018-2019 school year.

We ask that you accept this final decision of the Board.

Sincerely,

The Children's Corner Board
